Highland Park Small Business Training Sessions - May 2016

FYI our office is co-hosting Small Business Training sessions targeting Highland Park businesses, especially businesses on North Figueroa Street.

Beginning next Wednesday May 11th, the City's Business Source consultant, Barrio Planners, will lead trainings focused on different topics. See attached flyers for details. Various subject matter experts have been invited to speak. The course is scheduled every Wednesday 6-9PM for four weeks at the Ebell Club on Avenue 57.

If you have personal contacts with small businesses on North Fig Street, please feel free to reach out and invite the business owner. Barrio Planners will be walking door-to-door personally reaching out to business owners. It would be good to have strong participation.

We would also like to invite a successful local business owner to share tips and give testimony based on personal experience - such as, Yancy of Antigua Coffee and the owner of Tropicana Market on Monte Vista Street. Both of these businesses were recipients of City technical and financial assistance.

I also want to update you on 2 community activists (Latina) who have voiced their concern about moving the Historic filipinotown sign on glendale blvd to Hugo. They told Hugo Filipinos don't live there anymore therefore the sign has to be moved. These leaders brought it up with Pedro and ana before and ana and Pedro told her she needs to put out a petition to even start a discussion. I told Hugo to attend a PANA meeting with me next month so he can meet the Filipinos who are part of this issue.

FYI the sign was part of a Garcetti Council Motion designating "Historic Filipinotown" mainly in CD-13 - The boundary is Glendale Blvd. and doesn't extend to the east of Glendale Blvd. There's a CD-1 constituent, Nancy Fernandez, who lives on Patton Street in Hugo's area who I think is one of the people making the complaint.

Hello Gerald - We will be having our next small business tax seminar in the first week of December. We are hoping you can help promote it through your network.

The **classes are free** of cost and the location has plenty of free parking available at the Metro North Worksource Center in Lincoln Heights.

The timing of this topic for small business tax concerns is imperative and we are targeting existing small businesses enterprises for this seminar.

The flyer provides details and participants are asked to pre register.

Any questions please contact me.

The meeting venue is the Goodwill Building on San Fernando Road but the invitation can be extended throughout the district. It makes sense to target HLP businesses on N. Figueroa Street. Technically the property is still owned and operated by Goodwill Industries - It is Goodwill's original site but due to space needs, it expanded to the property to SF Road and Fletcher, the old KMart Store site. The Workforce Center leases space in the building.

Fwd: Spanish MTP Classes Offered

To: c01-allstaff <c01-allstaff@lacity.org>

Dear CD1 Staff:

Barrio Planners in collaboration with the Latino Chamber of Commerce is leading a four-part business development series in the Spanish language.

Following our successful Highland Park business training sessions, all in English; our office felt strongly that a targeted effort with sessions in Spanish would have positive benefits

Attached is a copy of an outreach flyer.

Freddy: Can we have the flyer printed in our next newsletter?

In addition, could each Field Deputy think of local business owners, organizations and community leaders who might be interested or who could help with outreach?

The first session is next Wednesday July 27th in DTLA.

Please let me know if you can assist as I'd like to give feedback to Barrio Planners.

Much Appreciated,

ggg

I was having lunch at the Eastside Market Italian Deli on Alpine Street last week. Mr. Johnny Angiuli, Owner, and his son asked me if I knew anyone at Council District 1.

City of Los Angeles Mail - Fwd: EASTSIDE MARKET Italian Deli, 1013 Alpine St, Los Angeles, CA 90012

I told him that I personally knew Councilman Gil Cedillo and that I had met Gerald Gubatan, his senior planning deputy.

Johnny and his son would like to invite the Councilman and you for lunch to discuss improvement on the appearance of City Terrace Drive. They have call the City and have been told that curb and dirt area along the fence on the East ROW of City Terrace belong to Caltrans and therefore their issue.

The Angiuli's are kindly requesting your assistance in trying to clean up the street appearance.

Please give them a call at (213) 250-2464

Thank you,

William Villalobos, AIA

I actually emailed Mr. Angiuli last week, Estela introduced us via email, but no response yet. I just called and was told need to call back tomorrow 9am, will be following up both phone and email. The encampment Estela referenced is off Custer and Sunset, it was removed yesterday.

"Munoz, Rhonda L@DOT" <rhonda.munoz@dot.ca.gov> is with Caltrans Maintenance Exec Office. Laind Taira connected us with her when we had a portion of the Caltrans overpass on Pasadena Avenue fall off.

Hugo, did you see if the "lack of cleaning of curb and dirt area along fence" identified in Gerald's email as Caltrans still a problem? That way we can email Rhonda and have Caltrans work on it ASAP?
